IMPORTANT INFORMATION FOR BUYERS

Registration

All potential buyers must register for the sale prior to placing a bid. Registration information may be submitted in person at our reception desk, by fax or through our website at www.freemansauction.com. We will require proof of identification and residence and may require a credit card and/or a bank reference. By registering for the sale, the buyer acknowledges that he or she has read, understood and accepted Freeman's Terms and Conditions of Sale.

Buyer's Premium

A Buyer's Premium will be added to the successful bid price and is payable by the buyer as part of the total purchase price. The Buyer's Premium shall be: 25% on the first \$200,000 of the hammer price of each lot, 20% on the portion from \$200,001 through \$3,000,000, and 12% thereafter.

Sales Tax

All items in the catalogue are subject to the 8% Pennsylvania and Philadelphia sales tax. Dealers purchasing for resale must register their tax numbers on current PA forms. Forms should be submitted to our Client Services office on the second floor.

Catalogue Descriptions

All item descriptions, dimensions and estimates are provided for guidance only. It is the buyer's responsibility to inspect all lots prior to bidding to ensure that the condition is to their satisfaction. If potential buyers are unable to inspect lots in person, our specialists will be happy to prepare detailed Condition Reports on individual lots as quickly as possible. These are for guidance only, and all lots will be sold "as is" as per our Terms and Conditions of Sale.

Bidding

At the sale Registered bidders will be assigned a bidder number and given a paddle for use at the sale. Once the first bid has been placed, the auctioneer asks for higher bids in increments determined by the auctioneer. To place your bid, simply raise your paddle until the auctioneer acknowledges you. The auctioneer will not mistake a random gesture for a bid.

By phone A limited number of telephone lines are available for bidding by phone through a Freeman's representative. Phone lines must be reserved in advance. Requests must be submitted no later than 24 hours prior to the scheduled start of the sale.

In writing Bid forms are available in the sale room and at the back of the catalogue. These should be submitted in person, by mail or by fax no later than one hour prior to the scheduled start of the sale. The auctioneer will bid on your behalf up to the limit.

On the internet A fully-illustrated catalogue is available on-line at www.freemansauction.com. Registered bidders may leave absentee bids through the website and will receive email confirmation of their bid. Freeman's is not responsible for errors or failure to execute bids.

Payment

Payment is due within ten (10) working days of the sale. Lots purchased will not be released until we have received full payment. Payment may be made in cash, by check, money order, or debit card. Payments by check must clear the bank before goods will be released.

Removal of Purchases

Deliveries will not be made during the time of the sale unless otherwise indicated by the auctioneer. All items must be paid for and removed within ten (10) working days of the sale. Purchases not so removed may be turned over to a licensed warehouse at the expense and risk of the purchaser.

Shipping and Packing

Responsibility for packing, shipping and insurance shall be exclusively that of the purchaser. Upon request, Freeman's will provide the purchaser with names of professional packers and shippers known to us.

Endangered Species

Lots marked * are manufactured in whole or in part of restricted materials that may include tortoiseshell, ivory, mother-of-pearl, coral, rhinoceros horn, whalebone or marine ivory. Such materials may require specific licenses, certificates, or CITES documentation for import, export, moving between states in the U.S., or resale. Obtaining these documents may require scientific, laboratory or other expert analysis, in order to establish which species or genus the material came from. Freeman's is unable to provide this information, and the obligation is on the purchaser of a lot containing any of these materials to ensure that they are able to obtain all the necessary or required documents should they need to, prior to bidding on the lot. If proper documentation or licenses etc. cannot be obtained for a purchased lot, the purchaser will still be required to make an on time payment for the lot as per our standard terms and conditions. Freeman's cataloguing of the lots marked with this symbol * represents the best of our opinion, and the absence of this symbol from any lot description does not form a warranty that the lot will be free from any licensing or certification restrictions.
